THE AUTOMOTIVE SOLUTIONS
SINCE-1973

FROM THE DIRECTOR`S DESK

Dear Customer,

CI CAR INTERNATIONAL PVT. LTD. *is a trusted and professional manufacturer specializing in auto door handles, window regulators, and cabin parts. With an extensive catalog of over 5000+ products, we cater to Indian, Japanese, Korean, American, German, and European vehicles.*

Established in 1973, we have earned a leading position in the industry due to our unwavering commitment to quality and customer service. Our philosophy of maintaining total quality systems ensures customer satisfaction through superior product quality, timely delivery, and dedicated service. Our processes include Statistical Process Control and periodic inspections to guarantee that all products meet customer specifications. We are committed to excellence and continuously strive to maintain the highest standards.

Our expertise lies in designing and manufacturing innovative products for diverse applications. Our team of experienced engineers, combined with the use of high-performance materials, enables us to create specialized solutions tailored to the long-term needs of the automotive and industrial sectors. With more than 30+ vehicle manufacturers relying on our products as original equipment, our brand ***"CI"*** *has become synonymous with trust and quality.*

As a company, we continuously invest in state-of-the-art manufacturing facilities. Each year, we develop over 500 new products and collaborate closely with customers to create new tooling and expand product lines. We warmly welcome our global customers to visit our facilities, share valuable feedback, and help us further enhance the quality of our products and services.

Our reach extends beyond India, with exports to over 50+ countries, including Argentina, Germany, the Middle East, South Africa, the USA, the UK, and the UAE.

Thank you for taking the time to explore our updated January 2026 catalog. We look forward to serving you and meeting your requirements in the near future.

Yours sincerely,

CI Car International Pvt. Ltd.
